~~ASSEMBLY SUBSTITUTE AMENDMENT 1,~~
2013 TO 2011 ~~ASSEMBLY BILL 260~~

October 10, 2011 - Offered by Representative KERKMAN.

✓

gen

- 1 AN ACT *to repeal* 59.69 (3) (b) of the statutes; **relating to:** changing the elements
2 that must be included in a county development plan. ✓

Analysis by the Legislative Reference Bureau

Under current law, a county may create a county zoning agency, ✓ which is a policy-making body ✓ in the county that determines the broad outlines and principles governing the county's administrative zoning powers. The county agency may direct the preparation of a county development plan. Currently, if a county creates a development plan, the plan must include a master plan adopted by a city or village. If one exists, it must also include, without changes, the city's or village's official map. ✓

bill ✓
This ~~substitute amendment~~ repeals the requirement that a city's or village's master plan must be included in a county development plan and also repeals the requirement that any official map be included without changes. ✓ ✓

For further information see the **local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 3 SECTION 1. 59.69 (3) (b) ✓ of the statutes is repealed.
